

Prof. Dr. Jurij Svete

Chair of Organic Chemistry, Faculty of Chemistry and Chemical Technology, University of Ljubljana

Biography

Born Ljubljana, Slovenia, 1962.

Education

PhD of Organic Chemistry: 1990, The Synthesis and Transformations of Heteroaryl Substituted *-Amino Acid Derivatives and Peptides, supervisor prof. Dr. Branko Stanovnik.

Post-doctoral Education

Alexander von Humboldt fellow (January 1997 – February 1998), Universität Stuttgart, Institut für Organische Chemie und Isotopenforschung, Prof. Dr. Volker Jäger. *Synthesis of iminopolyols as glycosidase inhibitors from furane-nitrile oxide cycloadducts.*

Teaching Positions

- Full Professor

Professional Positions

- Head: Chair of Organic Chemistry, UL FCCT.

Awards

- Prešeren Award (University of Ljubljana, 1987)
- Krka Award 1988
- Boris Kidrič Foundation Award (1991)
