

Tadeja Smolej

Biologist at Biotechnical Faculty

Education

I graduated at the University of Ljubljana, Biotechnical Faculty, Department of Biology. At the moment I am finishing two Masters study programs: Ecology and biodiversity and Biology Education.

Professional Experience

I am working on a LIFE DINALP BEAR project. My colleagues and I have designed and prepared materials for conducting educational workshops, a manual for teachers and we have conducted workshops in elementary schools, secondary schools, faculties and other institutions. I also participate in the LIFE WolfAlps project and LIFE Lynx as well.

I organize and carry out various educational workshops at the Biotechnical Faculty and I work as a guide at Zoo Ljubljana, Slovenia.
